¹Standard metropolitan statistical area titles and definitions are as established by the Office of Management and Budget in 1975 and amended to November 1978. (See SMSA definitions in appendix II.) The figures shown in this table represent a direct summation of reported data for the 16,000 places identified as permit-issuing in 1978. They include estimates made individually for a number of places which did not respond to the annual mail survey or which provided reports for fewer than 12 months (if in the monthly survey panel).
